Describe It to Your Customers

Mens Sentinel Lounge Shirt is part of the mens lounge and corporate shirts range on Musika, supplied from South Africa and delivered across Southern Africa. A company shirt is worn five days a week, so fit and fabric decide whether it looks smart in month six.Buying tip: Check the fabric blend first: poly-cotton keeps its shape through repeated washing, pure cotton breathes better in heat. Order a size run rather than guessing, and ask for long and short sleeves in the same colour so the team matches all year.Suited to companies, councils, banks and shops. Ask for a quote and you see the full landed cost for your town before paying; Musika holds the payment until delivery is confirmed.
