Radialign Laser Brick Alignment Device

Refractory and kiln bricking - code ie-radialign-laser-brick-alignment-device

Describe It to Your Customers

Radialign Laser Brick Alignment Device is part of the refractory and kiln bricking range on Musika, supplied from South Africa and delivered across Southern Africa. Refractory lining protects kilns and furnaces from heat that destroys ordinary materials.Buying tip: Match the brick grade to the temperature and chemistry, plan shapes for the lining, and order per shutdown.Suited to industry, foundries and kiln operators. Add it to your cart for one delivered price to your town, including freight and border costs. You pay into escrow and the supplier is paid when you confirm delivery.
