Self-centring bone holding forceps, light

Surgical instruments and autoclaves - code bone-holding-forceps

Describe It to Your Customers

Self-centring bone holding forceps, light is part of the surgical instruments and autoclaves range on Musika, supplied from South Africa and delivered across Southern Africa. Instruments and sterilisation decide whether a clinic can work safely every day.Buying tip: Choose stainless instruments in sets per procedure, an autoclave sized to your daily load, and spare trays so one set is always clean.Suited to clinics, dental surgeries and theatres. Ask for a quote and you see the full landed cost for your town before paying; Musika holds the payment until delivery is confirmed.
