Describe It to Your Customers

Order Timber Lounge Shirt on Musika from a verified South African supplier and have it delivered to your business anywhere in the region. A company shirt is worn five days a week, so fit and fabric decide whether it looks smart in month six.Buying tip: Check the fabric blend first: poly-cotton keeps its shape through repeated washing, pure cotton breathes better in heat. Order a size run rather than guessing, and ask for long and short sleeves in the same colour so the team matches all year.Suited to companies, councils, banks and shops. Add it to your cart for one delivered price to your town, including freight and border costs. You pay into escrow and the supplier is paid when you confirm delivery.
